COMET BAY COLLEGE - SECRET HARBOUR

Vocational Education & Training (VET)

What is VET ?

Vocational Education and Training can be accessed by all students at the College.

The Vocational Education and Training (VET) sector provides training and education for specific vocational purposes. The VET sector caters for the majority of the population who need vocational skills for work and life. Because of persistent trade skills shortages in the Australian workforce, choosing a VET pathway provides the opportunity for future employment in an industry area with identified skills shortages. It also provides the opportunity for continued education and training post school.

Vocational Education and Training encompasses all courses delivered where a student is working towards completing qualifications or units of competence that are nationally recognised. Achievement of full qualifications results in students being awarded a Certificate I, II, III or IV. Students who complete stand-alone VET qualifications gain credit towards their WACE or WASA.

What is the National VET System?

The national VET system is a nationally agreed system that recognizes qualifications delivered through Registered Training Organisations (RTOs). Industry sectors determine and define the outcomes that are required from the training. The qualifications gained are recognised by employers and industry across Australia as people seek to enter or re-enter the workforce, upgrade existing skills or move into a new industry area. Vocational skills are called **competencies** and refer to the technical knowledge and broad process skills required to perform in a particular work context.

USI

Applying for a USI is compulsory for all students enrolled in qualifications.

Only applications with a USI will be accepted for the STEP program.

WACE requirements 2021 and beyond

General requirements - You must:

- Demonstrate a minimum standard of literacy (reading and writing) and a minimum of numeracy
- Complete a minimum of 20 units, or equivalents
- Complete
 - At least four Year 12 ATAR courses **OR**
 - At least five Year 12 General courses and/or ATAR courses or equivalent **OR**
 - A Certificate II (or higher) VET qualification in combination with ATAR, General or Foundation courses.

Profile Courses and Comet Bay

College delivered courses:

Students can either apply for a profile course, usually delivered through a VET Program, that is delivered by a Registered Training Organisation (RTO), for example South Metropolitan TAFE, or apply to enrol in one of the qualifications delivered through the College.

Location of Courses:

Students may be required to travel to different training locations on the days of their qualification, such as Rockingham, Kwinana, Beaconsfield, Jandakot, Perth, Thornlie, Fremantle, Mandurah or Joondalup.

SCHOOL TO EMPLOYMENT PROGRAM (STEP)

Applying for VET Profile Courses:

The application process for Profile courses is highly competitive as the RTOs take students from many schools. As a minimum, students must be achieving C grades, greater than 80% attendance (prefer 90%) in Semester 1 of Year 10. Students have typically been able to access qualifications in the following areas:

- Animal Studies
- Automotive-Electrical, Heavy Vehicle and Light Vehicle
- Business
- Community Services-Childcare
- Construction-Bricklaying; Carpentry and Joinery; Plumbing
- Engineering
- Electrotechnology
- Floristry
- Hairdressing
- Horticulture
- Hospitality
- Information, Digital Media & Technology
- Process Plant Operations
- Retail, Make-up and Skin Care
- Tourism and Events

Application Process:

Once you have attended your General Studies and STEP interview, if you meet the criteria you will be provided with the detailed information provided by the RTO and notified of the next stage in the process.

Applications for profile places are due by 23rd August 2019. Students are notified directly by the TAFEs, usually in November if their application is successful.

The Vocational Education and Training Program includes Pre-Apprenticeships in School (PAIS) and a wide selection of

Nationally Accredited qualifications, including Workplace Learning. This Endorsed Program is only available to students selecting the STEP program option. Students in the STEP program attend school for three days per week, one day in the workplace and one day at a State or Private Training Provider.

If students are interested in careers in aviation, construction, automotive, electrical, engineering or hospitality, then the STEP program is recommended. There are limited places and entrance is subject to interview and meeting minimum entrance requirements.

Students Selecting the STEP Program are required to:

- Attend a College selection interview (you will need to bring your resume);
- Have a minimum of a C pass in English, Maths, Science, and HASS;
- Select General Studies as a backup in case the STEP application is unsuccessful.

The STEP program offered at the College includes Nationally Accredited qualifications, where students successfully complete requirements and develop relevant industry skills with pathways to employment and/or further education and training, including traineeships and apprenticeships.

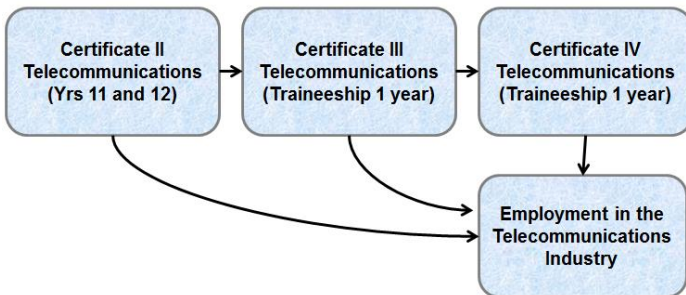

All our qualifications are quality assured by a Registered Training Organisation (RTO) and delivered at either South Metropolitan or North Metropolitan TAFE or a Private Training Provider.

<p><i>For 2020, Year 11 students will have additional general or endorsed subjects to choose from. These will be discussed at the STEP interview.</i></p>		

Note: Places in the program are limited and all students are required to attend an interview and require a minimum of a C grade in Year 10 English, Mathematics, Science and HASS.

In School Qualifications Descriptions (STEP students only)

The following qualifications are at this stage proposed and will be confirmed once an RTO can be sourced through the department's panel of contracted RTO providers.

Certificate II Customer Engagement (CHC22015) - Year 12 2020 only

The qualification reflects the role of individuals who typically work with multiple communication channels, capture data and provide customer service. Typically, individuals in this role work under direct supervision, with limited authority to delegate.

Certificate II Creative Industries – Media (CUA20215) - Year 12 2020 only

The qualification will allow students to explore the exciting world of Media, focussing primarily on the film and radio broadcast industries. Students will develop the ability to utilise digital recording equipment in interesting and creative ways, allowing them to express their ideas through a variety of text forms including short film, radio advertising and documentary-style film-making. Students will also be given the opportunity to work with industry-level editing software in post-production and will learn how to apply visual and audio special effects.

The course is designed to run over a period of one year, with students completing a total of 8 units focussing on topics such as following a design process, developing industry knowledge, effective video and sound recording, as well as applying critical thinking to media analysis.

Certificate II Sport and Recreation (SIS20115) - Year 12 2020 only

The qualification provides the skills and knowledge for an individual wishing to work in the sport and recreation industry in a generalist capacity. Likely functions for someone with this qualification can include providing support in the provision of sport and recreation programs, grounds and facilities maintenance, routine housekeeping, retail and customer service assistance, administrative assistance or bar and café service in locations such as a fitness centre, outdoor sporting grounds or complexes or aquatic centres. All job roles are performed under supervision.

Information regarding 'Fee for Service' Qualifications Offered in 2020

Fee For Service Qualification Options (Fee)

In an effort to provide a greater range of options to students from 2018, Comet Bay College has provided students with the opportunity to access a range of 'Fee for Service' qualifications. The new Fee for Service arrangement is a response to changes that have occurred across the State, that limited access to qualifications for many students.

How are 'Fee for Service' qualifications different from other previously offered qualifications?

The 'Fee for Service' qualifications are delivered by external Registered Training Organisations (RTOs). The RTOs that deliver these qualifications and assess our students, directly charge the College for the full amount of the qualification PRIOR to the student commencing their qualification.

Payment Options

Recent changes made to the Department of Education's Contributions and Charges Manual confirm that VET Fee For Service Qualifications have been approved for collection of charges by schools, prior to the commencement of the academic year to confirm student enrolment. Therefore, payment of all Fee for Service charges detailed on your Contributions and Charges Summary Sheet is requested PRIOR TO **Thursday 30 January 2020** to secure enrolment in the relevant qualification. Please visit our college website for accepted methods of payment.

How are Fee for Service Qualifications identified on my Contributions and Charges Summary?

Fee for Service qualifications are identified on your Contributions and Charges Summary Sheet with the word 'Fee' in brackets after the course description (eg. Business Cert III **(Fee)**). For Fee for Service Qualifications, the College is covering 50% of the charge of the training.

What happens if payment is not made?

Please note: If payment has not been made by the due date, or a payment plan has not been confirmed with the College Billing Officer, your child will not be enrolled, and courses will be changed prior to the student returning to school.

Need more information?

For all enquiries regarding the 'Fee for Service' Qualifications, please contact Ms Jane Bryer - Dean of Vocational Education and Training

Students are encouraged to provide the College with details of an employer who has agreed to accept them for a Workplace Learning placement. This enables students to select the employer that they would like to work with.

Where the student/family do not have contacts, the College will endeavour to find a placement and students will be required to fully commit to that workplace for the duration. While the College will attempt to find placements in the local area, students may be required to travel further afield.

UNIQUE STUDENT IDENTIFIER (USI)

Student Information

Unique Student Identifier Number Application

The recent implementation of this new reform requires all students enrolling into Nationally Recognised Courses to obtain a USI number. Comet Bay College offers a wide range of Nationally Recognised Courses to its students and therefore requires **all** students to obtain their individual USI.

Please visit the link below to apply for your child's USI and forward the allocated number to Comet Bay College Administration.

NOTE:

- Please take care to record the number accurately, we may need to contact you in the event an error is made.
- Applications **MUST** be made using the student's LEGAL first name and LEGAL surname.
- You will be required to provide details from your current Medicare Card and an additional form of ID (for example Drivers Licence). Please have them on hand prior to starting your application.

More comprehensive information regarding the USI is available from the USI website www.usi.gov.au.

START YOUR APPLICATION HERE:

<https://www.usi.gov.au/students/create-your-usi>

Problems With Your Application?

Unfortunately, college staff are not able to assist with any technical issues you may experience in submitting your application. **Please refer to the USI website for contact details in the event you require support.**

Training WA State Training Providers (Training WA)

State Training Providers (Training WA) offer courses for Vocational education and training, apprenticeships and traineeships, support for workplace learning and courses for business and industry.

To gain entry into a State Training Provider (TWA), applicants need to meet the entrance requirements for the chosen course. Where a course is deemed to be competitive, applicants are required to meet both the entrance requirements and selection criteria. Selection criteria will focus on secondary education achievement, skill development, previous qualifications and workplace learning (paid or unpaid).

Courses that require selection criteria to be met will clearly indicate this below the entrance requirement information.

Students who are interested in applying for State Training Provider courses are strongly advised to access the latest information from www.dtwd.wa.gov.au.

Students will find detailed information on the website, but if more information or clarification is needed, then contact:

Phone: 13 6464 or 08 6551 5000

The Links Between State Training Providers and University

All Universities in Western Australia to a greater or lesser extent accept Training WA qualifications ie. Certificate IV and above, as admission for specific courses. The extent of this acceptance varies between Universities and courses and students should consult with the relevant university.

If you intend to follow this Pathway to University Admission then you are advised to consult with the Counsellors at the relevant University to identify which Training WA Courses are recommended.

Alternative University Entry Pathways

(NB: Alternate Entry Programs are reviewed annually)

Portfolio Pathway to Edith Cowan University (ECU)

In addition to the requirements outlined above, Edith Cowan University offers an additional pathway for entry by school leaver students. Detailed information about the requirements for the Portfolio Entry Pathway to ECU may be obtained from Student Recruitment on 13 43 28 or www.ecu.edu.au/future-students/course-entry/portfolio-pathway.

Portfolio Entry to Murdoch University

In addition to the requirements outlined above, Murdoch University offers a portfolio pathway for admission to Bachelor degrees in Media, Mass Communication and in Digital Media. For more information see <https://portfolio.murdoch.edu.au>.

Portfolio Entry to Curtin University

Gaining Admission to University through Training WA

An Australian Tertiary Admissions Rank (ATAR) is not the only means of entry to University in Western Australia. Training WA can be your stepping stone to a University Education.

A significant number of Training WA graduates gain admission to Australian universities each year. Training WA graduates need to apply through the Tertiary Institutions Services Centre (TISC) for admission to the public universities, visit www.tisc.edu.au. Apply directly for admission to the University of Notre Dame Australia.

Other Pathways

Each university also has a number of alternative entry pathways that provide options if results or educational background do not provide immediate eligibility for direct entry to undergraduate study.

Bridging Courses are also available at a number of Universities.

University Access via Training Provider

At the time of printing, this chart shows the current entry requirements for each University for students applying after completing a state or private training provider Course. This needs to be checked for 2019 / 2020 as it can change annually.

University	Minimum Entry Requirement	Contact Information (Universities Admissions Centres)
Curtin University of Technology	Certificate IV is the minimum requirement for university entry, in some cases a diploma or higher is required. You must also satisfy English requirements.	Curtin will assess applicants with diplomas and/or Advanced Diplomas for advanced standing. The amount of credit given will depend on the relevance of the State or Private Training Provider's qualification to the course of study at Curtin. Visit: futurestudents.curtin.edu.au
Edith Cowan University	Certificate IV	Edith Cowan will assess applicants with Diplomas and/or Advanced Diplomas for advanced standing. The amount of credit given will depend on the relevance of the State or Private Training Provider's qualification to the course of study at Edith Cowan. Visit: http://www.ecu.edu.au
Murdoch University	Certificate IV	Murdoch University will assess students with Certificate IV, Diploma, Advanced Diploma or <i>State or Private Training Provider WA</i> studies for advanced standing. Advanced standing is not dependent on the overlap, if any, between these studies and the proposed study at Murdoch University. However, the number of exemptions given will depend on the relevance of the State or Private Training Provider's qualification to the course of study at Murdoch. Visit: http://www.murdoch.edu.au/Future-students
University of Notre Dame Australia	Certificate IV and English language competence	Notre Dame will assess applicants with a Diploma and/or Advanced Diploma for advanced standing. The amount of credit given will depend on relevance of the State of Private Training Provider's qualification to the course of study at Notre Dame. Visit: www.nd.edu.au
University of Western Australia	Diploma, English language and subject prerequisites.	On gaining a place at UWA , a diploma and/or advanced diploma graduate may be eligible for credit transfer (advanced standing). Applications for credit are assessed on an individual basis. The amount of credit granted will depend on the relevance of elements of the State or Private Training Provider's qualification to the degree course, and on evidence of academic quality beyond "competent".
