

Pathways from Cert IV in Health Science Foundations

Delivery at Comet Bay College every Wednesday

1. We recommend students currently enrolled in ATAR courses and continue on an ATAR pathway (choose ATAR courses on Lines 1 – 4 then selection Cert IV Health Science Foundations on Lines 5& 6).

Students deciding on a non ATAR pathway see table above, you will require a minimum of an A in General English or alternately you could choose 2 non ATAR courses and ATAR English and Science, eg Human Biology

Selection criteria will be applied and is as follows:

- OLNA 3's in Numeracy, Reading and Writing
- ATAR Students - Minimum of C grades in Maths, English and Science
- General Students - Minimum of B grades in Maths, English and Science

If qualification is oversubscribed there will be a ranking system

Please note: This qualification is replacing the Certificate IV Preparation for Health and Nursing Studies currently being offered at Rockingham Senior High School.

Curtin University	<p>Year 12 Cert IV Health Science Foundation ATAR English or Literature –Min C grade - Entry into multidisciplinary Science Degrees requiring an ATAR score of 70</p> <p>Cert IV Health Science Foundation General English or Literature – Grade req A - Entry into General Health Science Degree</p> <p>Students not meeting English requirement can apply through TISC to sit the English Stat Test to access multidisciplinary undergraduate degrees.</p>
