

CODE OF CONDUCT - THE ARTS EXTENSION PROGRAM

Exemplary behaviour is expected of all extension pathway students. Distracting or disruptive conduct impacts not only on the offending student, but also on the progress of all other students in the class. Students at Comet Bay College study in a school culture that focuses on ensuring the provision of a high standard of educational opportunities for all students.

Students in The Arts Extension Program are also expected to maintain high practical and academic results, exhibit a positive attitude and demonstrate a sound work ethic. Completion of all tasks assigned in class together with set homework is mandatory and essential for staying in the extension pathway. Please encourage your child to ask their teachers immediately if they experience difficulty in understanding class work.

REVIEW PROCESS

At the end of each semester a review of student progress is undertaken. Teachers will liaise with the Dean of The Arts prior to sending recommendations through to the Dean of Academic Excellence regarding the performance of all students. Underperforming students may be removed from the Extension Program. Any student who comes out of an Extension Class has the opportunity to work their way back into this pathway. Notification will be sent to the parents of those students affected. Students will not be penalised for absence owing to ill health where a doctor's certificate is provided.

Students in extension classes are expected to adhere to the following expectations:

College Rules

- Follow all instructions from College staff members.
- Follow all College procedures.
