VOLUNTARY CONTRIBUTIONS AND COMPULSORY CHARGES

Dear Parent/Guardian,

We hope the following information will clarify our Voluntary Contributions and Compulsory Charges structure. The Comet Bay College Board has reviewed the Voluntary Contributions and Compulsory Charges structure and has approved all contributions and charges in accordance with the Education Act.

In addition to this general information, the Voluntary Contributions and Charges Summary for each student itemises the **Compulsory Charges for elective courses, and the Voluntary Contributions allocated to each subject/course**.

Information on the maximum costs of other possible optional activities such as excursions, incursions, camps, etc. is provided within this booklet. Where a listed optional activity is scheduled, families will be notified of the final cost of the activity accordingly.

For further information, please contact the College on **9553 8100**.

Kelly Bennett, Principal

College Policy

Voluntary Contributions and Compulsory Charges and their part in school funding

The College receives Government funding each year to cover basic running costs. In brief, these funds are used for a range of whole-of-college expenses, including the following:

- Maintenance and minor repairs of equipment, grounds, classroom furniture and buildings.
- Minor structural improvements.
- Professional Development of the college staff.
- Day-to-day administration costs (e.g., postage, printing, stationery, college promotion).
- Payment for utilities (electricity, telephone, water, and gas).
- Purchase of major equipment items.

Teachers and other college staff are paid directly by the Government.

Funds received from donations, hiring fees received for private use of college facilities, savings on utilities use, and stationery supplier commissions help to offset the course costs for students. However, the costs of “extras” for courses are not included in the Government’s funding. Because of this shortfall, the College levies a charge on students taking such courses to cover the cost of those “extras”, and in doing so ensure that the College can offer the best possible education to its students.

The Government acknowledges that this situation affects all government-funded schools. As a result, secondary colleges have a legal right to charge for goods and services used by students in a course of study, of which the College’s School Grant funding does not cover. The Department of Education therefore requires schools to make every endeavour to recover outstanding compulsory charges.

Determining College Voluntary Contributions and Compulsory Charges

The College endeavours to keep costs to a minimum while maintaining a high standard of curriculum delivery. The Government endorses the levying of a college Voluntary Contribution that covers the basic needs associated with teaching the essential curriculum, such as photocopying, access to textbooks and use of specialised equipment for Years 7 to 10. In Years 11 and 12, students choose to do those courses of study based on their future educational or career requirements. **As these are choice subjects, compulsory charges apply.** These charges comply with Government and Department of Education policies. This is different to Years 7 to 10 where students must undertake compulsory studies in English, Mathematics, Science, Humanities and Social Sciences, and Health and Physical Education.

Each student is also charged for items that are specifically used in various elective courses, such as ingredients for food preparation; transport to and from option venues; art materials; use of computer and photographic equipment and associated materials; timber; metal; tools; specialised sporting equipment and photocopies of course handouts. The amount of these costs will vary according to each student’s choice of courses. Similarly, government regulations on school charges do not set limits on the cost of purchasing prescribed textbooks for courses offered in government schools.

Payment of Voluntary Contributions and Compulsory Charges

Who should pay?

It is government policy that Parents/Guardians contribute towards the cost of educating their children. Given that students can choose the courses that will offer them the learning outcomes they desire, it is considered fair and equitable that all parents should pay for the courses that their children select. Similarly, it is generally considered unfair that some families could be expected to pay for the consumable components of courses for another family's student. This College believes all parents should pay the Voluntary Contributions and Compulsory Charges that will cover the expenses resulting from children's selection of courses and is committed to maintaining an even-handed and reasonable approach to serving that ideal.

Collection of Compulsory Charges:

Families experiencing financial difficulties may be offered the option to pay in instalments, except for Compulsory Charges attached to the Football Specialist Program and Fee for Service Qualifications. Further detailed information regarding these charges is provided within this booklet.

Payment Plans must be arranged WELL IN ADVANCE of the relevant deadline for payment. Late requests for a payment plan may be declined by the College where previous requests for payment have been ignored, or no action has been taken. Please contact our Billing Officer in a timely manner on 9553 8108 to discuss payment options.

Paying parents expect NOT to subsidise non-paying parents. The College actively pursues the collection of Compulsory Charges. Our collection process is strongly supported by the College Board and is a requirement of the Department of Education. The College will take the following steps to recover Compulsory Charges outstanding after the due date for payment: -

1. **A MINIMUM of THREE account statements are posted out to all families prior to 1 July annually.**
2. **Where full payment is not made by 1 JULY 2024, a debt collection agency will be engaged to pursue recovery of Compulsory Charges directly from the paying parent.**
3. **Outstanding charges (as referred to Debt Collection) are rolled over to the student's record in the following year where applicable.**
4. **Where parents with outstanding Compulsory Charges have failed to arrange and/or commit to a negotiated payment plan, the student may be removed from their chosen elective course/s and be placed in a course/s that satisfy the requirements of the Curriculum Framework. In the case where the unpaid Compulsory Charges cover the cost of materials for practical classes, the student will not be able to participate in the practical lessons and will have to complete theory work.**
5. **PLEASE NOTE! THE COLLEGE DOES NOT PERSONALLY PHONE FAMILIES PRIOR TO CHARGES BEING REFERRED TO DEBT COLLECTION as this is not feasible due to the large number of accounts active across the school. IT IS THEREFORE THE RESPONSIBILITY OF ALL PARENTS/CARERS TO MANAGE PAYMENT OF ALL CHARGES IN A TIMELY MANNER SO AS TO AVOID ANY PERSONAL INCONVENIENCE IN THE CASE OF REFERRAL TO DEBT COLLECTION. Please contact the College to request an arrangement to pay early in the year to avoid referral where no contact has been made.**

Payment of Compulsory Charges

(Other than Football Specialist Program and Fee for Service Qualifications)

A DEPOSIT of 50% of the total cost of Elective Courses is required by Thursday 25th JANUARY 2024, with the total cost PAID IN FULL by 30 JUNE 2024.

If parents wish to undertake a payment plan, they may arrange this with the Billing Officer, however, they must make contact *immediately* to do so, **PRIOR TO THE DEBT BEING REFERRED TO DEBT COLLECTION.**

The College endeavours to assist parents in selecting options for their child that are within their budget by detailing relevant course costs within the Course Selection Handbook. We recommend families take into consideration course costs and their affordability at the point of Course Selection.

Football Specialist/Extension Program - Compulsory Charges

To ensure continued enrolment in a Specialist/Extension program, associated Compulsory Charges are to be **PAID IN FULL PRIOR** to the commencement of Term 1 each year.

Where Compulsory Charges for Specialist/Extension programs ARE NOT PAID IN FULL by the due date, the offer of placement in the program will be withdrawn and the student will be placed into a general studies program.

A student will not automatically be enrolled in the program for the following year where charges remain unpaid for the previous year.

VET 'Fee for Service' Qualifications - Compulsory Charges

With a view to providing a greater range of options to students, the college provides an opportunity for students to access a range of 'Fee for Service' qualifications. The Fee for Service arrangement is a response to changes in recent years that occurred across the state limiting access to qualifications for many students.

How are 'Fee for Service' qualifications different from other qualifications offered?

The 'Fee for Service' qualifications are delivered by external *Registered Training Organisations (RTOs)*. The RTOs that deliver these qualifications and assess our students charge the College directly for the full amount of the qualification PRIOR to the student commencing the qualification.

Invoicing and payment arrangements for 'Fee for Service' qualifications

Comet Bay College is mindful of the financial pressures many families face, and to this end, we advise that 50% of the full charge payable to relevant RTOs will be covered by the school. Therefore, please be aware that the cost detailed on your child's Contributions and Charges Summary Sheet is the TOTAL amount payable by parents (being 50% of the cost of the qualification).

Payment options

The Department of Education's Contributions, Charges and Fees Manual confirms that VET Fee for Service Qualifications have been approved for collection of charges by schools **prior to the commencement of the academic year to confirm student enrolment**. Therefore, payment of all Fee for Service charges detailed on your Contributions and Charges Summary Sheet is requested PRIOR TO **Thursday 25th January 2024** to secure enrolment in the qualification. Where full payment of the charge is not made by this date, the student's enrolment will be withdrawn.

IMPORTANT NOTE! As the College is required by the RTO to pay these charges up front to confirm enrolment, where a student withdraws from a qualification after enrolment is confirmed, the charge is NON-REFUNDABLE since the RTO does NOT refund the school where a child does not complete the qualification.

PAYMENTS CAN BE MADE FROM 1st December 2023.

We accept the following payment methods:

	Cash
EFT	EFTPOS facilities are available at reception for your convenience.
	Credit Card Authorisation
	Direct Deposit (via internet banking) Transfer funds from your nominated Internet Banking account, College bank account details as follows: <div>Account Name: Comet Bay College Bank: Bendigo Bank BSB No: 633 000 Account No: 124 340 886 Reference: 'STUDENT'S FULL NAME'</div>

The Schedule of Charges and Booklists

Course Charges

COMPULSORY CHARGES apply to extra cost optional courses i.e., ELECTIVES, where additional consumables are provided to students. Football, Surfing, Visual Arts Extension, Performing Arts Extension and Dance Extension are also Electives. Please note that the College does not make a profit from these charges as they are either passed on to external providers, (e.g., *the Music Instrument hire charge goes to the School of Instrumental Music*) or are used to purchase materials consumed by students, (e.g., *food ingredients and high-cost materials for jewelry*).

Additional charges for Optional Extra Activities address broad learning outcomes and **may** be offered to students, (e.g., *social events, excursions, camps, sport carnivals and select VET Programs*). It is not possible to determine the actual cost of such future activities, therefore, the College provides parents with an **estimated maximum cost** to enable them to budget for the year ahead. This information is provided within this booklet for your convenience.

When an activity is planned, and the student **chooses** to participate, parents will be notified of the final cost (which will not exceed the estimated maximum previously stated in this document). These activities are not compulsory, and students are not disadvantaged academically by choosing not to participate.

Voluntary Contributions – Years 7 to 10

The College requests a voluntary contribution of up to \$235 per student to contribute to the cost of materials, services and facilities used by students in their educational program. This includes for example provision of text material, photocopying etc. The level of parent support makes a significant contribution to the enrichment of learning experiences for students.

Voluntary Approved Requests

The following voluntary approved requests also appear on student Voluntary Contributions and Compulsory Charges Statement:

ADDITIONAL VOLUNTARY REQUESTS:

1. **Pastoral Care \$15:** The additional provision of the Pastoral Care Service offers our students counselling and family support and engenders a 'positive values focus' within our college community, helping develop student wellbeing.
2. **Information Technology \$25:** All Comet Bay College students use computers, printers, scanners, digital cameras, and the internet as tools to assist their learning across the curriculum. We also purchase a wide range of software packages to meet the individual learning needs and interests of our students. This contribution assists with the ongoing costs associated with this technology.
3. **Library Services \$10:** The Library provides a range of text and audio-visual resources for students to borrow, (e.g., *Fiction books, reference books, audio visual resources, Newspapers and Magazines*). Your contributions help us to provide an extensive collection of resources for the benefit of all students.
4. **Student Services and Facilities \$15:** The College provides a range of services and facilities for students through Student Support such as the Uniform Loan service. This contribution assists the College in keeping a comprehensive range of uniform items in stock ensuring that all students can loan items such as jumpers and jackets (for example) on a cold day when they may have left theirs at home.
5. **Student Classroom Air Conditioning Program \$20:** *The Student Classroom Air Conditioning Program* is aimed at replacing several currently installed inefficient evaporative air conditioning models with reverse cycle units considered to be much more effective, cost-efficient, and environmentally friendly. We seek the support of the school community in contributing to the program by way of this Voluntary Approved Request. Contributions made will subsidise the overall cost of the project.

OTHER OPTIONAL COSTS:

1. **Book Hire \$25:** In lieu of families being required to purchase some textbooks, and with a view to minimising costs to parents, across the college our learning areas purchase sets of class texts for students to use within class. This contribution enables us to provide this service.

The Course Selection Process and Booklists

Once the course selection process has been completed, students are placed in their chosen courses of study (or where necessary, a negotiated alternative) and families are issued a detailed list of the Voluntary Contributions and Compulsory Charges associated with the student's individual program outlining the following:

- *The charges associated with each course selected.*
- *Any other compulsory charges levied by the College.*
- *Any voluntary contributions approved by the College Board.*

Booklists/personal items lists relevant to the student's academic year are posted on the College's website each year, detailing personal requirements for each course and their relevant retail price. The booklist is to be reviewed in conjunction with the student's course placements to determine items required for each course.

Students need only purchase items listed for the courses they have been placed in. If a particular course or subject is not listed on a booklist, there are no personal items required for purchasing for that course.

ALL STUDENTS ARE REQUIRED TO PURCHASE 'GENERAL STATIONERY ITEMS – ESSENTIAL ITEMS' as detailed on each of the year group lists.

Booklists are available from the College website:

www.cometbaycollege.wa.edu.au

OTHER OPTIONAL COSTS

The College is permitted to make financial requests of parents in the following areas (cross-reference these to your Voluntary Contributions and Compulsory Charges Summary Sheet):

OTHER COSTS

- a) **Personal Items** (Requirements List) which the students need to provide for their relevant courses, (eg. *stationery, calculators*) can be purchased from any supplier.
- b) **Other Services** College services or facilities, which are available to students on a "user pays" basis, (e.g. *Photocopying facilities in the library, printing facilities for computer-generated assignments; internet downloads etc.*).

SECONDARY ASSISTANCE SCHEME

DO YOU HOLD A CENTRELINK CONCESSION/HEALTH CARD?

Financial assistance is available for holders of the following cards:

- Centrelink Health Care Card (MUST state student's name)
- Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card

If eligible, a \$235 Education Program Allowance is paid directly to the school and is allocated to your child's education program charges in the first instance, with any residual to be applied to the voluntary contribution (for years 7 to 10) or as negotiated with the parent/guardian (for years 11 to 12).

Also, a \$115 Clothing Allowance is available to the eligible parent/guardian to assist with Uniform costs.

Please apply in person through Administration. **If eligible, you will only be required to pay the balance of your account** after any allowance is receipted.

You **MUST** present your card to be able to complete your application – this is a mandatory requirement.

Applications can be made commencing **Wednesday, 31st January 2024**.

The closing date for applications is **Thursday, 28th March 2024**.

For more detailed information, please refer to the Secondary Assistance Scheme information sheet, provided within your 2024 Enrolled Students Package.

VOLUNTARY CONTRIBUTIONS AND CHARGES

THE STUDENT VOLUNTARY CONTRIBUTIONS AND CHARGES SUMMARY

This is your 'invoice' and details the Voluntary Contributions and Compulsory Charges associated with your child's proposed learning program and timetable. However, due to changes in student timetable selections, there may be adjustments to individual student accounts throughout the course of the year. Considering this, please be aware account balances may fluctuate.

YEARS 7 and 8

Students in Years 7 and 8 study a compulsory common course across all eight Learning Areas. We request a total, maximum voluntary contribution of \$235 toward the cost of maintaining a high standard of resources for students. The Voluntary Contributions and Charges Summary details the total amount distributed to the Learning Areas.

Year 7 and 8 students also have some limited 'elective' choices available, such as Surfing Development, Performing Arts Extension, Dance Extension and Visual Arts Extension programs. Entry to these is based on interest and ability, and additional Compulsory Charges apply to cover the cost of the extra resources provided (e.g. consumable materials, external tuition, and venue hire).

Charges for Electives are compulsory, and 50% of associated costs must be paid before the student commences in the program.

YEARS 9 to 12

Students in Years 9 to 12 are required to study across all eight Learning Areas and have a wide range of choices available. These are detailed in the individual **2022 Course Selection Handbooks**. Most of these elective courses have compulsory charges attached to cover the additional resources provided to run the course.

The charges for electives are compulsory, and 50% of associated costs must be paid before the student commences in the program.

******Final date for payment of elective costs is SUNDAY, 30th JUNE 2024.******

COURSE ENQUIRIES:

Associate Principals/Coordinators will be available from

Thursday, 25th January 2024

should you wish to discuss matters relating to your child's program.

To make an appointment, please contact us on **9553 8100**.

ADMINISTRATION BUSINESS HOURS:

ADMINISTRATION BUSINESS HOURS

Account payments can be made:

Monday	8.00 am – 4.00 pm
Tuesday	8.00 am – 4.00 pm
Wednesday	8.00 am – 4.00 pm
Thursday	8.00 am – 4.00 pm
Friday	8.00 am – 4.00 pm

Please direct all enquiries regarding Contributions and Charges to:

Billing Enquiries: CometBay.Col.Billing@education.wa.edu.au

IMPORTANT DATES TO NOTE:

Friday 26 January 2024	Closed – Public Holiday (Australia Day)
Monday 29 January 2024	School Development Day (No Student Attendance)
Tuesday 30 January 2024	School Development Day (No Student Attendance)
Wednesday 31 January 2024	STUDENTS RETURN TO SCHOOL
Monday 4 March 2024	Closed – Public Holiday (Labour Day)
Friday 29 March 2024	Closed - Public Holiday (Good Friday)
Monday 1 April 2024	Closed – Public Holiday (Easter Monday)
Monday 15 April 2024	School Development Day (No Student Attendance)
Thursday 25 April 2024	Closed - Public Holiday (ANZAC Day public holiday)
Monday 3 June 2024	Closed - Public Holiday (Western Australia Day)
Monday 15 July 2024	School Development Day (No Student Attendance)
Monday 30 September 2024	Closed – Public Holiday (King's Birthday)
Monday 7 October 2024	School Development Day (No Student Attendance)

ACCOUNTS INFORMATION IN SUMMARY:

- **Secondary Assistance Scheme (SAS):**

To be made through Administration.

Applications are accepted from **Wednesday, 31st January 2024.**

Applications CLOSE 28th March 2024.

Applications cannot be made without presentation of one of the following:

Centrelink Health Care Card

Pensioner Concession Card

Veterans' Affairs Card

Card must be current and state the parent name AND the relevant STUDENT NAME.

- **EFTPOS facilities available**

- **Direct Deposit**

See your invoice for bank account details. Please ensure you **include your child's full name as your payment reference when paying by funds transfer to the College Account.** This assists us in receipting your account accordingly.

OPTIONAL EXTRA COST OPTIONS 2024

In addition to the essential curriculum courses covered by Parent Voluntary Contributions and the **elective courses** covered by Compulsory Charges, a range of **OPTIONAL ENRICHMENT ACTIVITIES** may be scheduled during 2024.

The College is unable to predict the exact cost of many of these proposed activities for 2024. However, *estimated* maximum costs (per Subject/Course of Study) are listed below for your convenience. Teachers organising these activities will always aim for the lowest possible cost, and in some instances, fundraising may be undertaken to subsidise some costs.

Student participation in these activities is optional, and parents will not be asked for more than the amounts listed. Although we anticipate that the actual costs will be lower than any estimated maximum, if this does occur, the College will either bear the difference or cancel the activity.

PLEASE NOTE: Students who do not choose to participate in these activities will not be disadvantaged academically.
